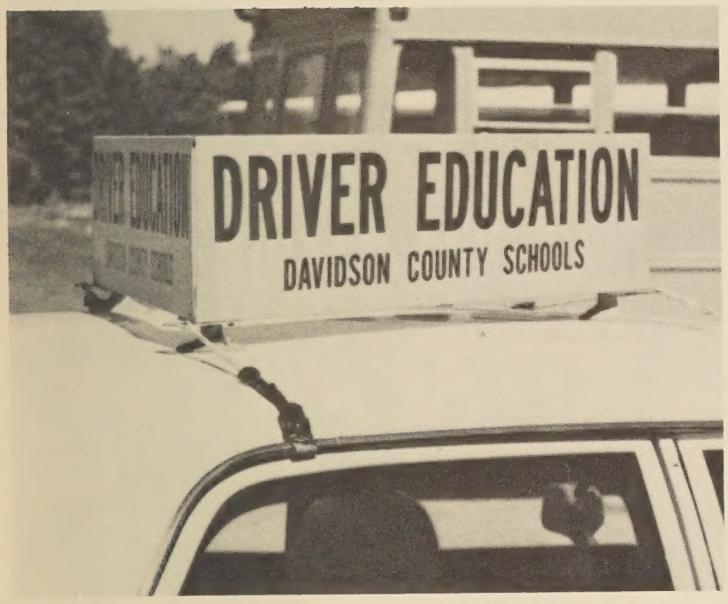
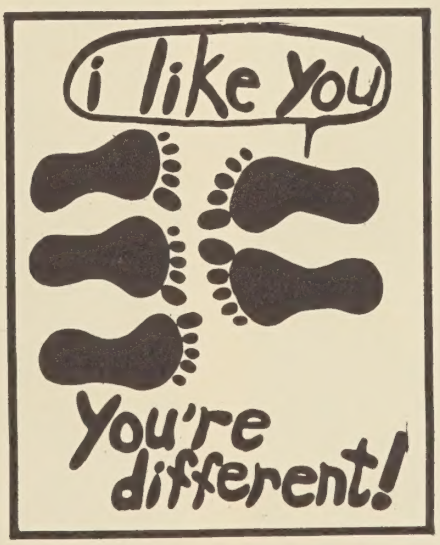
REFLECTIONS OF...

A UNIQUE EXPERIENCE



Being a NORDAHI KNIGHT is a unique experience. It's a special mixture of events--friendships! our first day as Sophomores! drivers ed.! pep rallies!--memories that will last a lifetime.

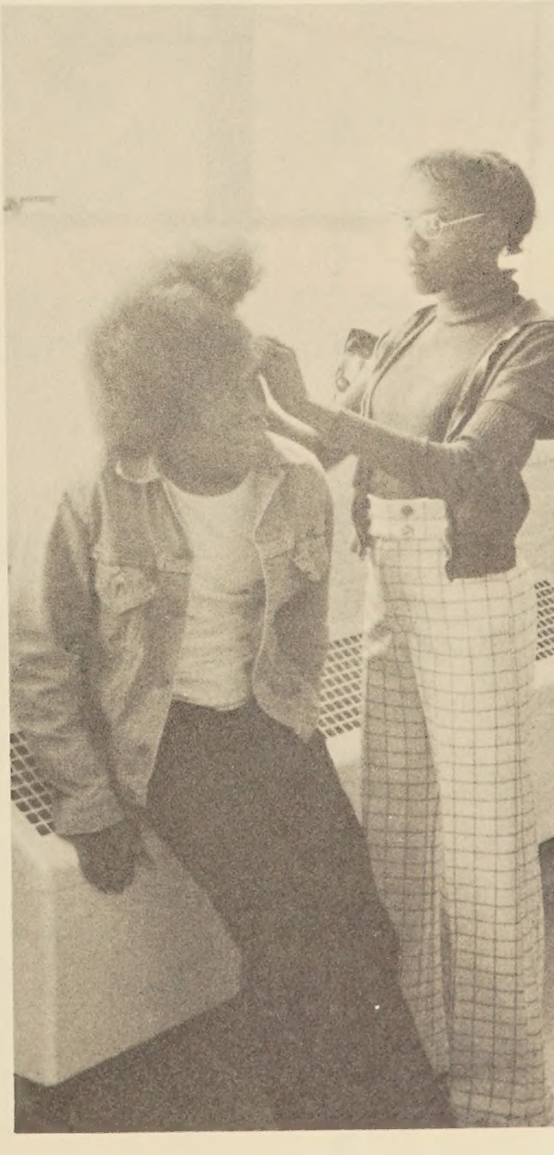
Times have changed, but like the knight of old, the NORDAHI KNIGHT'S ideals have not changed. He still defends his beliefs in the support of his school and forges ever ahead. The result is indelible impressions of this UNIQUE EXPERIENCE that was NORDAHI.



REFLECTIONS OF...

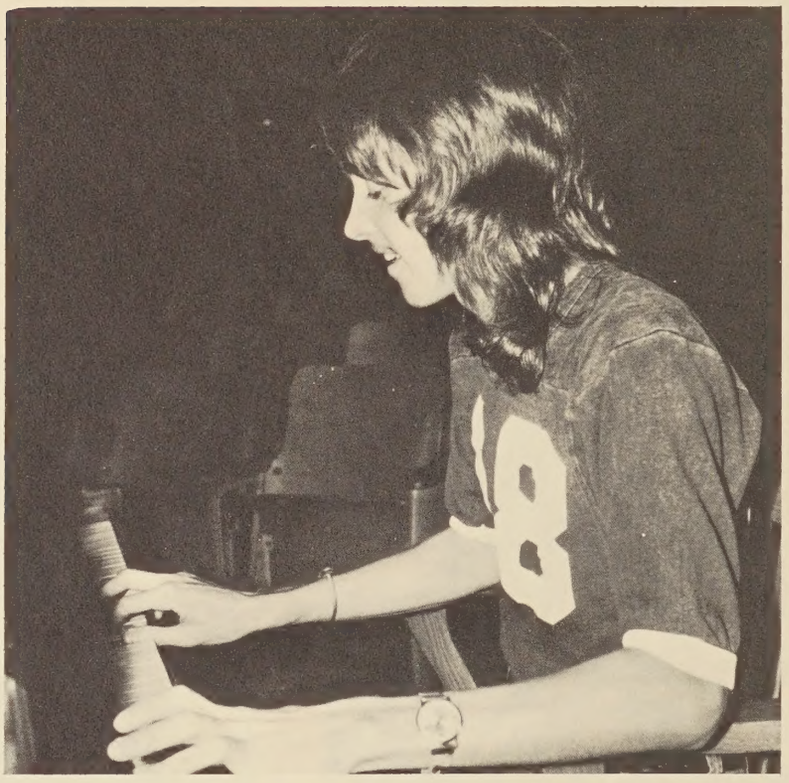
BEING "YOU - KNIGHTED"

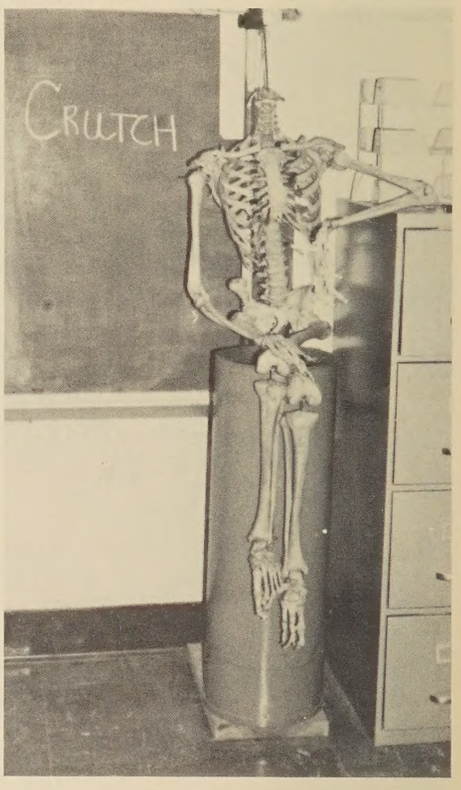
Unity has created nations, moved mountains, destroyed alliances, and sparked wars. The ability to give and take, to sacrifice for others, and to enjoy other's accomplishments as his own has marked the true Knight for centuries. This simple cohesion in communication with each other, in dedication to goals, and involvement in the school and community is to be truly "YOU-KNIGHTED" in the NORDAHI fashion.



LIVING LIFE

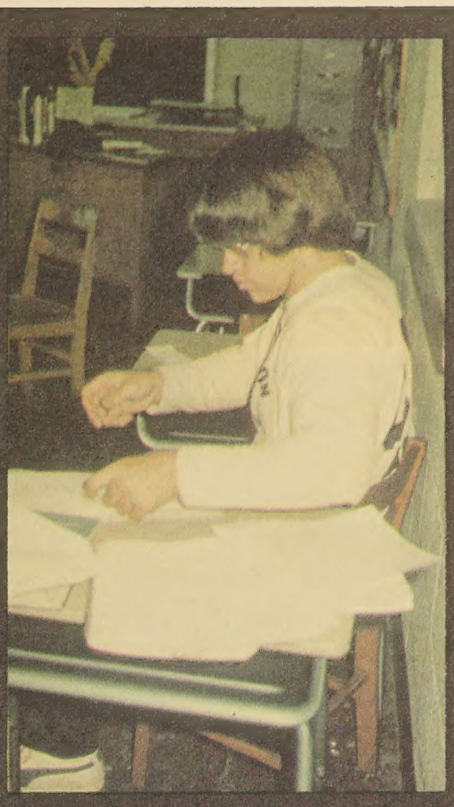
REFLECTIONS OF...





Ben Franklin said that one should "not squander time, for that is the stuff life is made of." His wisdom still prevails. The KNIGHT lives every minute to its fullest--sharing every joy, laughing at every good joke, forgetting the bad times--rain or shine.

REFLECTIONS OF...

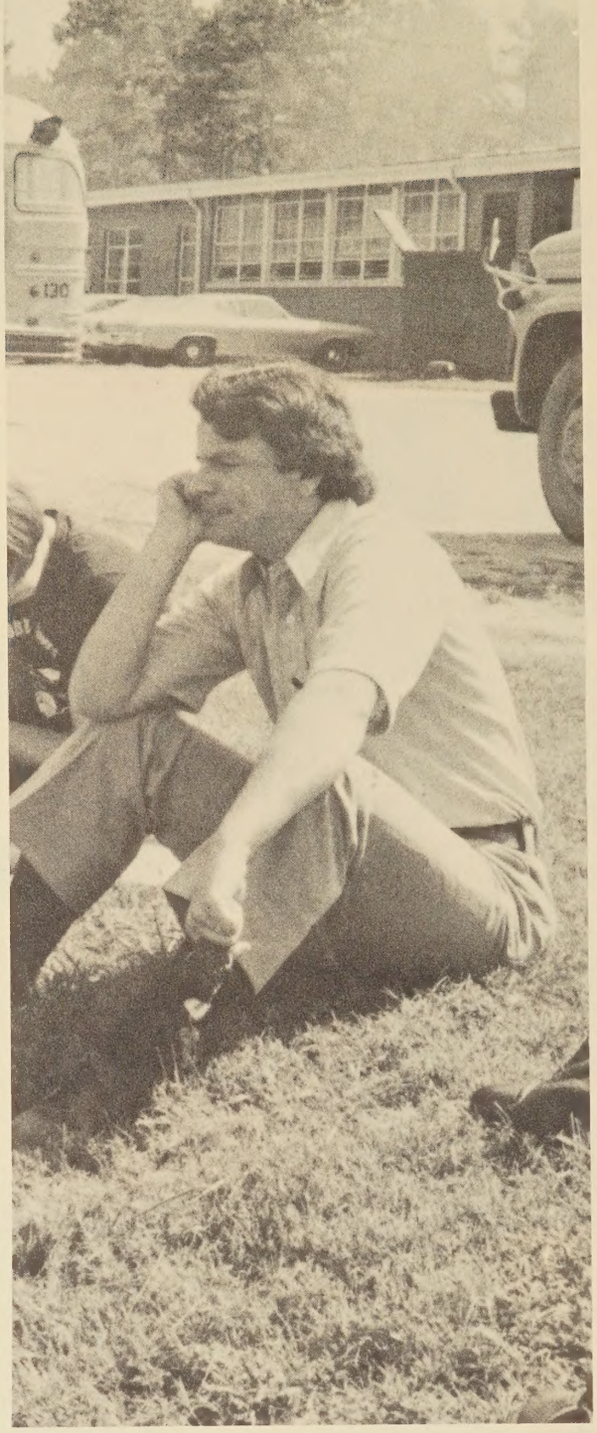


REFLECTIONS OF...

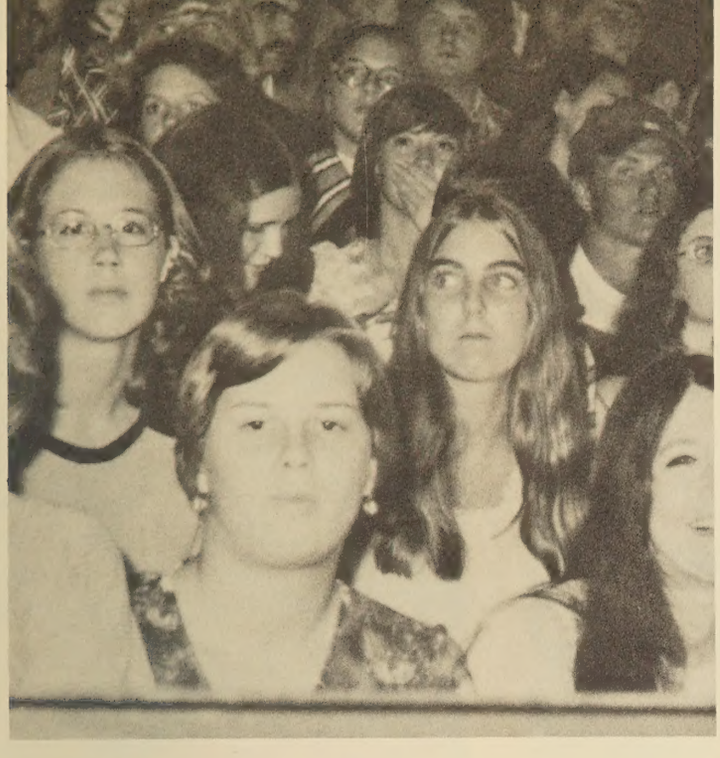
NORDAHI SPIRIT

Spirit is the voice of each individual KNIGHT. It is this spirit, united in competition and involvement, that stimulates pride in NORDAHI, and it is this spirit that channels this pride to the community outside the school. Thus, the KNIGHTS form an identity all their own and their enthused spirits make them "YOUKNIGHTED" in the NORDAHI fashion.

REFLECTIONS OF...



DEFEAT



Defeat stings everyone sometime. Dashed dreams, shattered plans, beaten teams. But with defeat, the KNIGHT develops impetus to rise to the occasion and gumption to meet new challenges. With added backbone and character, the KNIGHT can venture forth even after defeat.

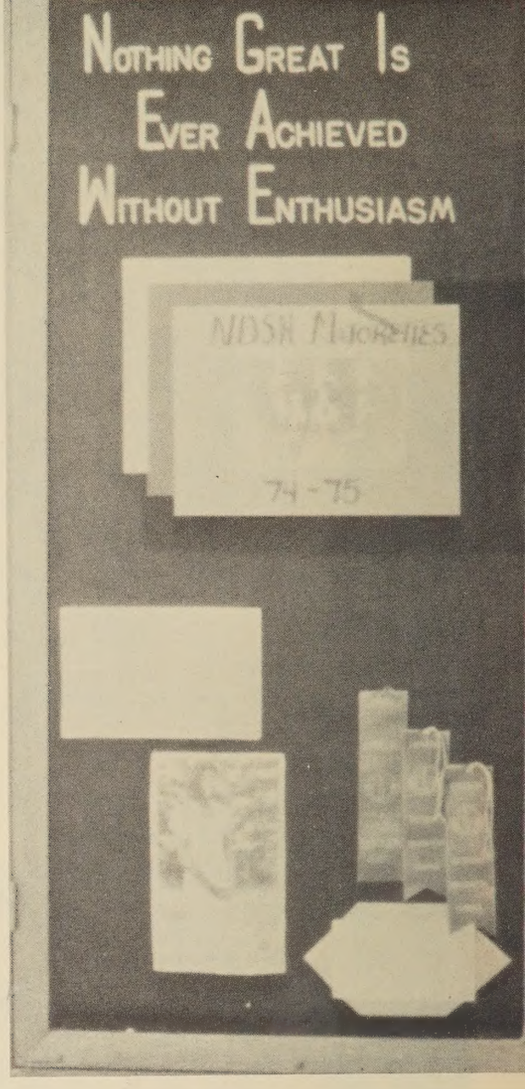
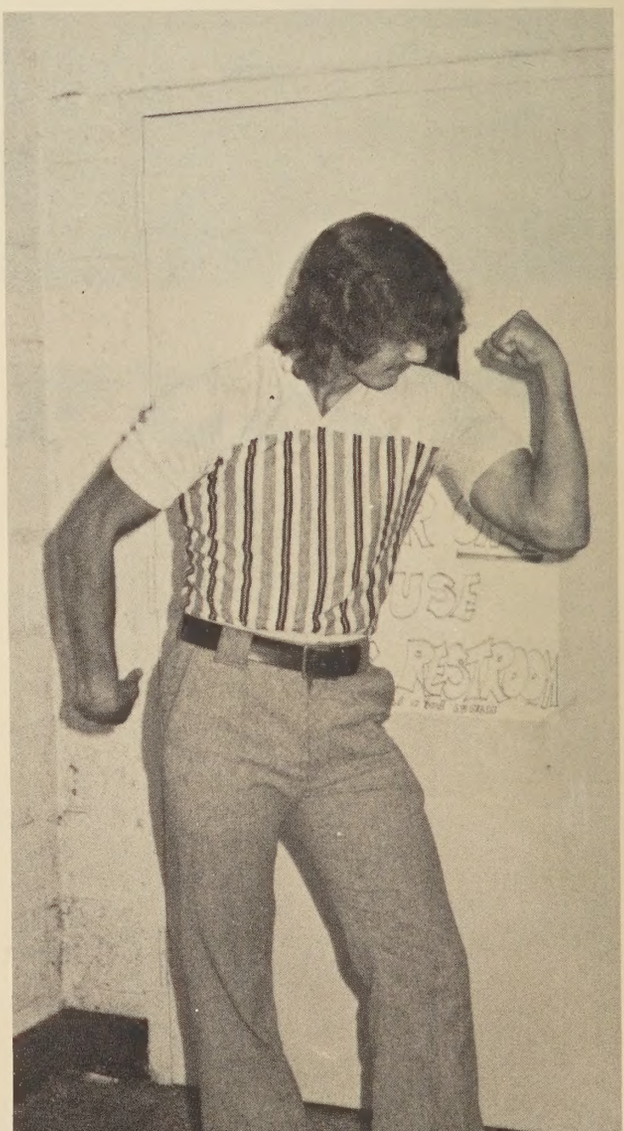
VICTORY





Knights beat Raiders

By SARAH SUE INGRAM
Staff Sports Writer

WELCOME — The winning float at North Davidson's homecoming Friday night was a well-designed replica of the Big Black Machine, with the slogan taken from the song title "Put 'em on that midnight train to Georgia."

As in the song, L.A. proved too much for the man, and North Davidson definitely proved too much for North Iredell last night as the Black Knights romped over the Raiders 28-6 before a capacity homecoming crowd.

The most unusual thing about the game was the way the statistics lie. North Iredell won in every category but two on the score sheets, but North Davidson clearly dominated on the field and on the scoreboard.

The Black Knights made it obvious they intended to control the game as Donald Myers made a finger-tip grab of a Robert Everhart pass for a 38-yard gain on the first play from scrimmage.

A roughing the punter penalty and a 20-yard run by Darnell Clark set up the first Knight touchdown by moving the ball down to the Raiders' five-year line. Two plays later Everhart scored from one yard out as his backs pushed him over behind the center.

A Randall Hill fumble recovery on North Iredell's 44-yard line less than a minute later set up the second touchdown for the Black Knights. Six plays moved the ball inside the Raider 20-yard line, and Darnell Clark took a pitchout and danced down the right sidelines for 18-yards and paydirt.

David Hodges booted his second conversion, and the Black Knights were ahead 14-0 with two minutes left in the first quarter.

The second period belonged to North Iredell as Casey Van Hoy came in at the helm. The Raider left-handed quarterback completed two passes for 29 yards and charged up the middle four times on quarterback sneaks to move the ball down to North Davidson's one-yard line.

Ronald Rucker then ran inside tackle for the touchdown. The Raiders attempted a two-point conversion, but the pass was wide, and the Knights led 14-6

The Raiders had good field position again as John Summers

Victory adds spice to life. The thrill of the tournament and the struggle for victory is overwhelming no matter whether it is actually demolishing an opponent on the "field of battle" or just completing a job and receiving commendations from friends. It is the state of mind and being evident as the KNIGHT ventures forth toward new conquests. It's that quality that marks all KNIGHTS as winners.

I'm O.K.-
You're O.K.

Some people call us egotists. But we aren't conceited. We're just proud that we're mighty KNIGHTS, and we can't keep this feeling from affecting our whole outlook on life.

As we reflect on our innumerable adventures, some of them do appear silly; however, they were just for fun--just a part of the total spectrum of NORDAHI life. We were just being OURSELVES, the mighty NORDAHI KNIGHTS.

Miss North Davidson

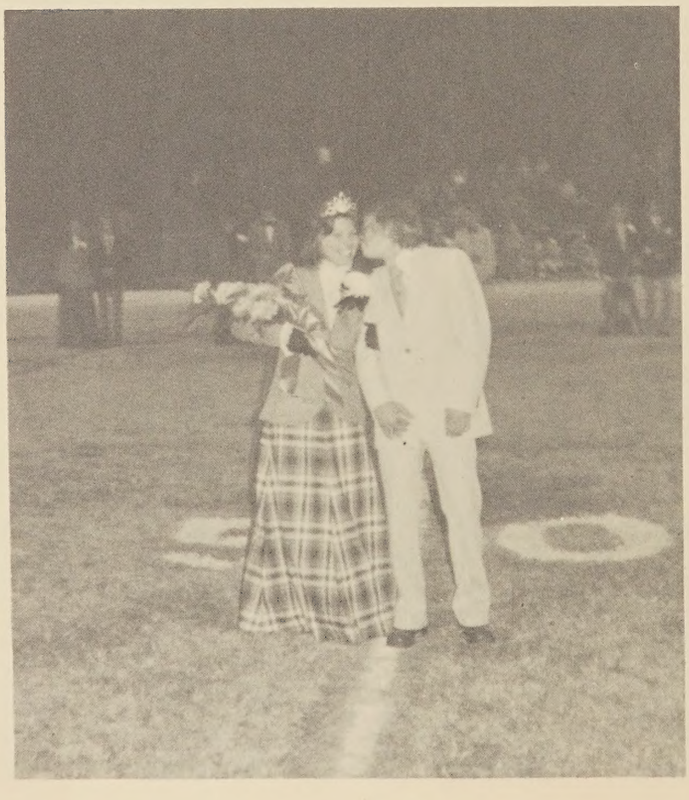
To be beautiful you must carry the beautiful with you.

Ralph Waldo Emerson

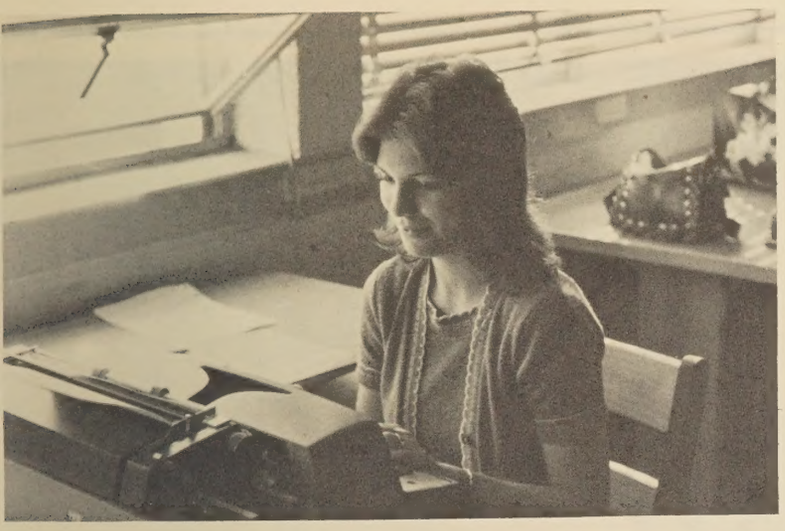
With her smiling face and inward beauty Sherri makes a lovely Miss North Davidson. She is admired by all of the student body! Sherri radiates her friendliness toward others through her charm and wit.

Representing us well in the Davidson County Pageant, Sherri was selected as first runner-up.

Homecoming Queen



Miss North Davidson First Runner-up, Rhonda Clodfelter, became the 1974 Homecoming Queen. The Varsity football team voted prior to the game and the results were announced during halftime. Rhonda came forward and received a bouquet of roses and a kiss from Mr. Teal and her escort, Phil Lanier. The crowning of a new queen was the finishing touch to a perfect Homecoming.



Homecoming

1974

Excitement grew as the North Davidson students approached the week of Homecoming 1974. The week was filled with Lick'em suckers, Twenties' Day, and was topped off with everyone wearing NDSH T-shirts. Anticipation mounted on Friday, the day of the game. That afternoon the students were dismissed to watch the annual Homecoming Parade and to participate in the pep rally. Spirit was soaring as they gathered that night to see the game. The court and sponsors were introduced and a mass of balloons was released. That was just the beginning, for the Knights defeated North Iredell 28 to 6, and the evening was perfected as Rhonda Clodfelter was crowned Homecoming Queen.

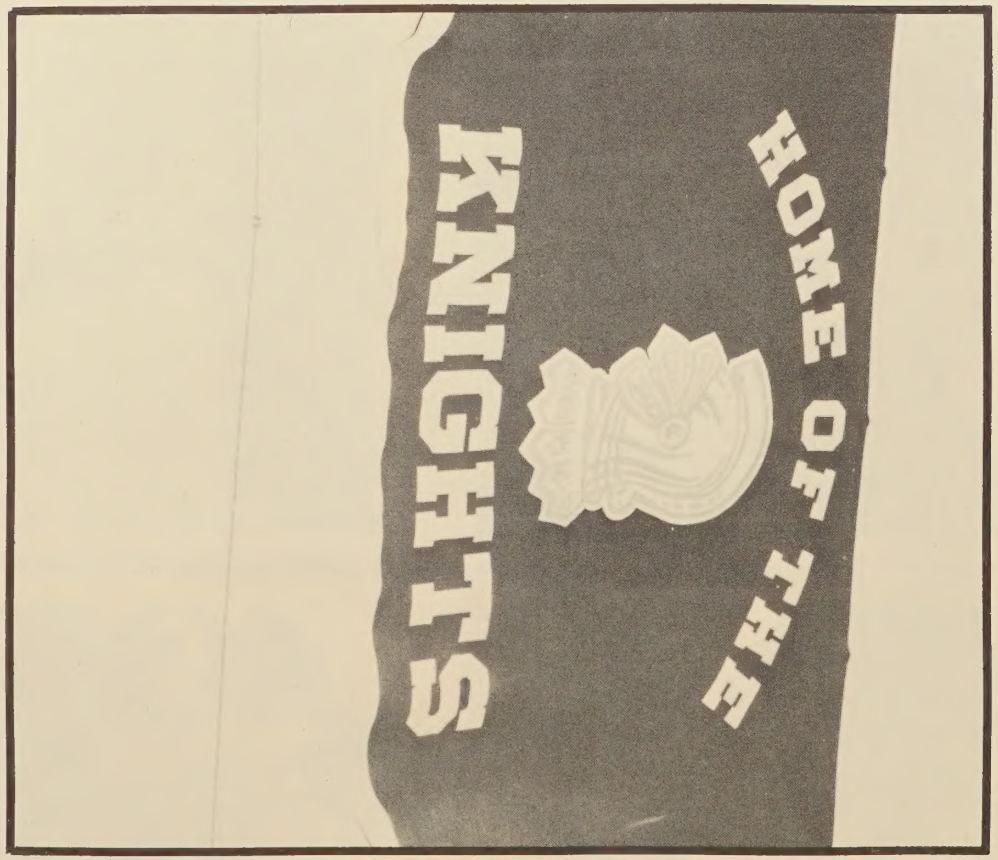
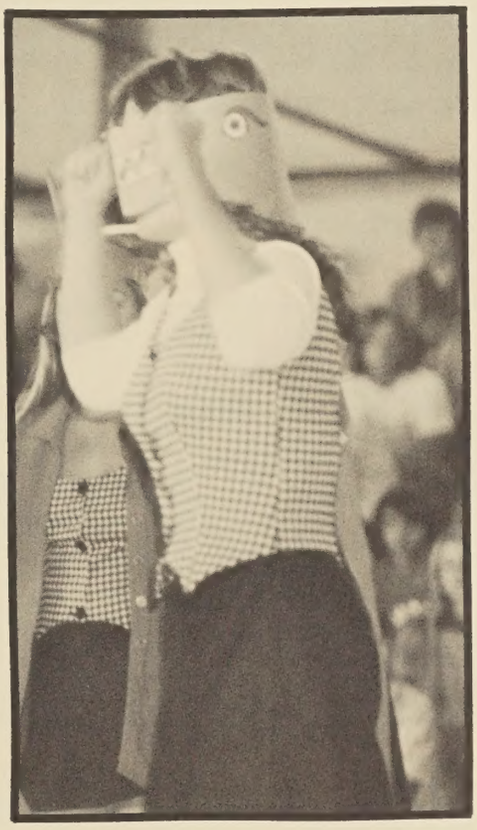
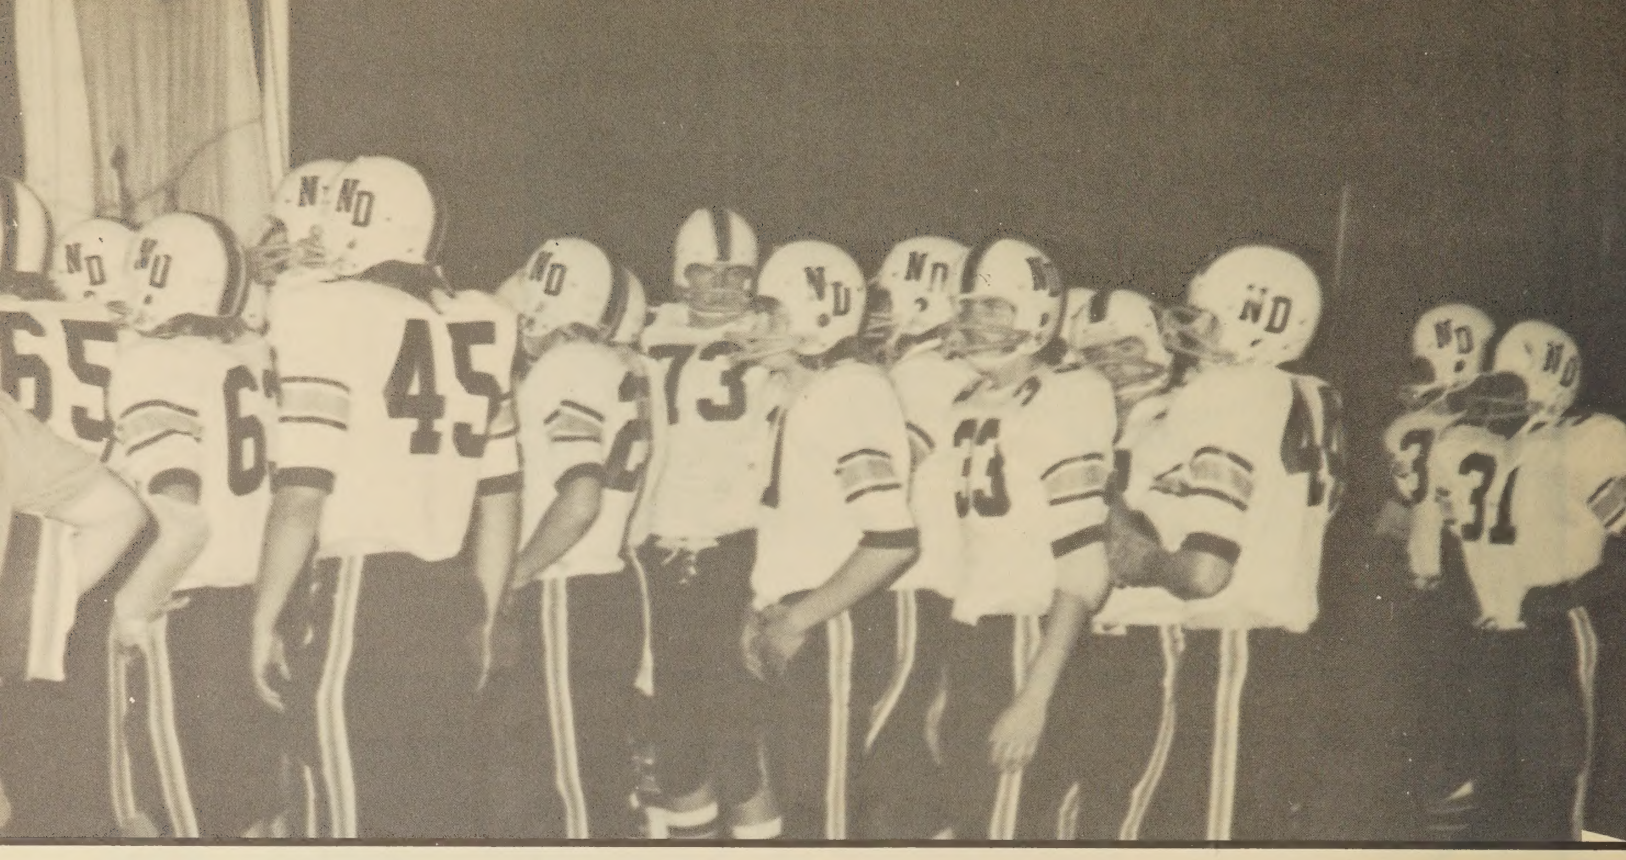
SPORTS







Black Knights Are Superstars!!

The Knights experienced a 6-4 season this year showing that last year's 3-6-1 wasn't a year wasted. Perhaps it was a year of revenge or perhaps it was a year to prove themselves. In any event, the Knights stayed in the thick of the division race until the season finale when they became runners-up to Mooresville.

The Knights' season was successful despite injuries to key players and several close losses. With few players leaving, the Knights are looking forward to next year when they should again emerge as a dominant power in the North Piedmont Conference.

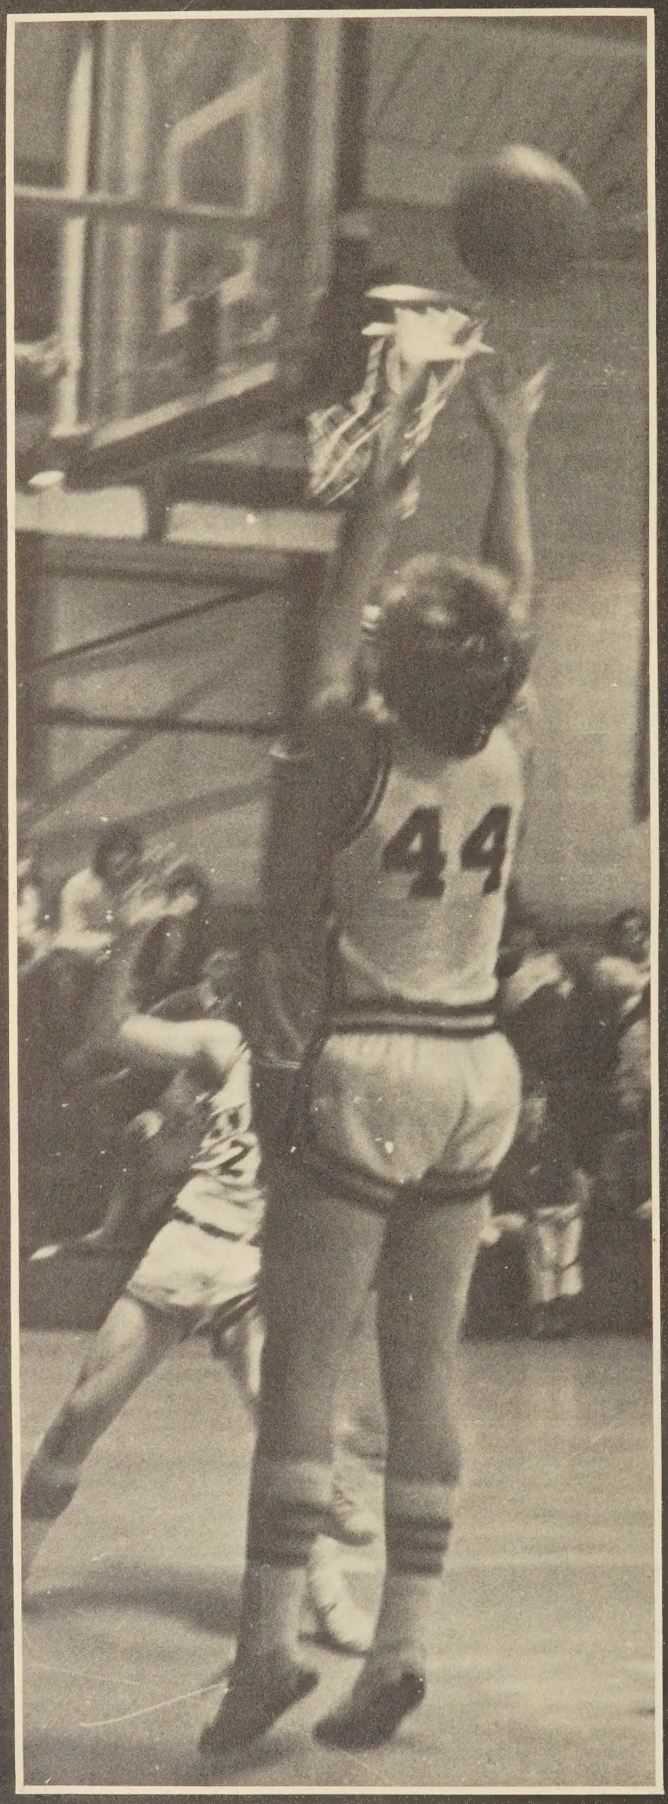
Super Knights Blast Opposition and Capture



The 1974-75 Black Knight Varsity boy's team proved the best in the NPC as they won twelve games in a row, out-hustled East Rowan in the finals of the Catawba Christmas Tournament, and captured the regular season crown. Led by a dazzling starting team and supported by depth on the bench, the Knights stormed through their competition for their best record in years. With devastating defense and an amazingly potent offense, the Knights proved to be far too much for the opposition to handle. The Knights also have high hopes for next year, with much talent and experience returning.

Girls Find Going Rough

The Lady Knights of North Davidson went into the 74-75 season with loads of experience and hopes of finishing high in conference play. Three starters returned from the team that went to the Association Tournament last year and it looked as if the girls would better last year's record considerably. Still, the team was plagued by inconsistency and never quite hit their potential. The season, however, was highlighted by a two point victory over Davie County in the championship of the first Davidson County Invitational Christmas Tournament. Another high spot came against South Iredell as Elaine Hayes reached the 1,000 point plateau for her career, becoming the first girl to do so in North Davidson history.

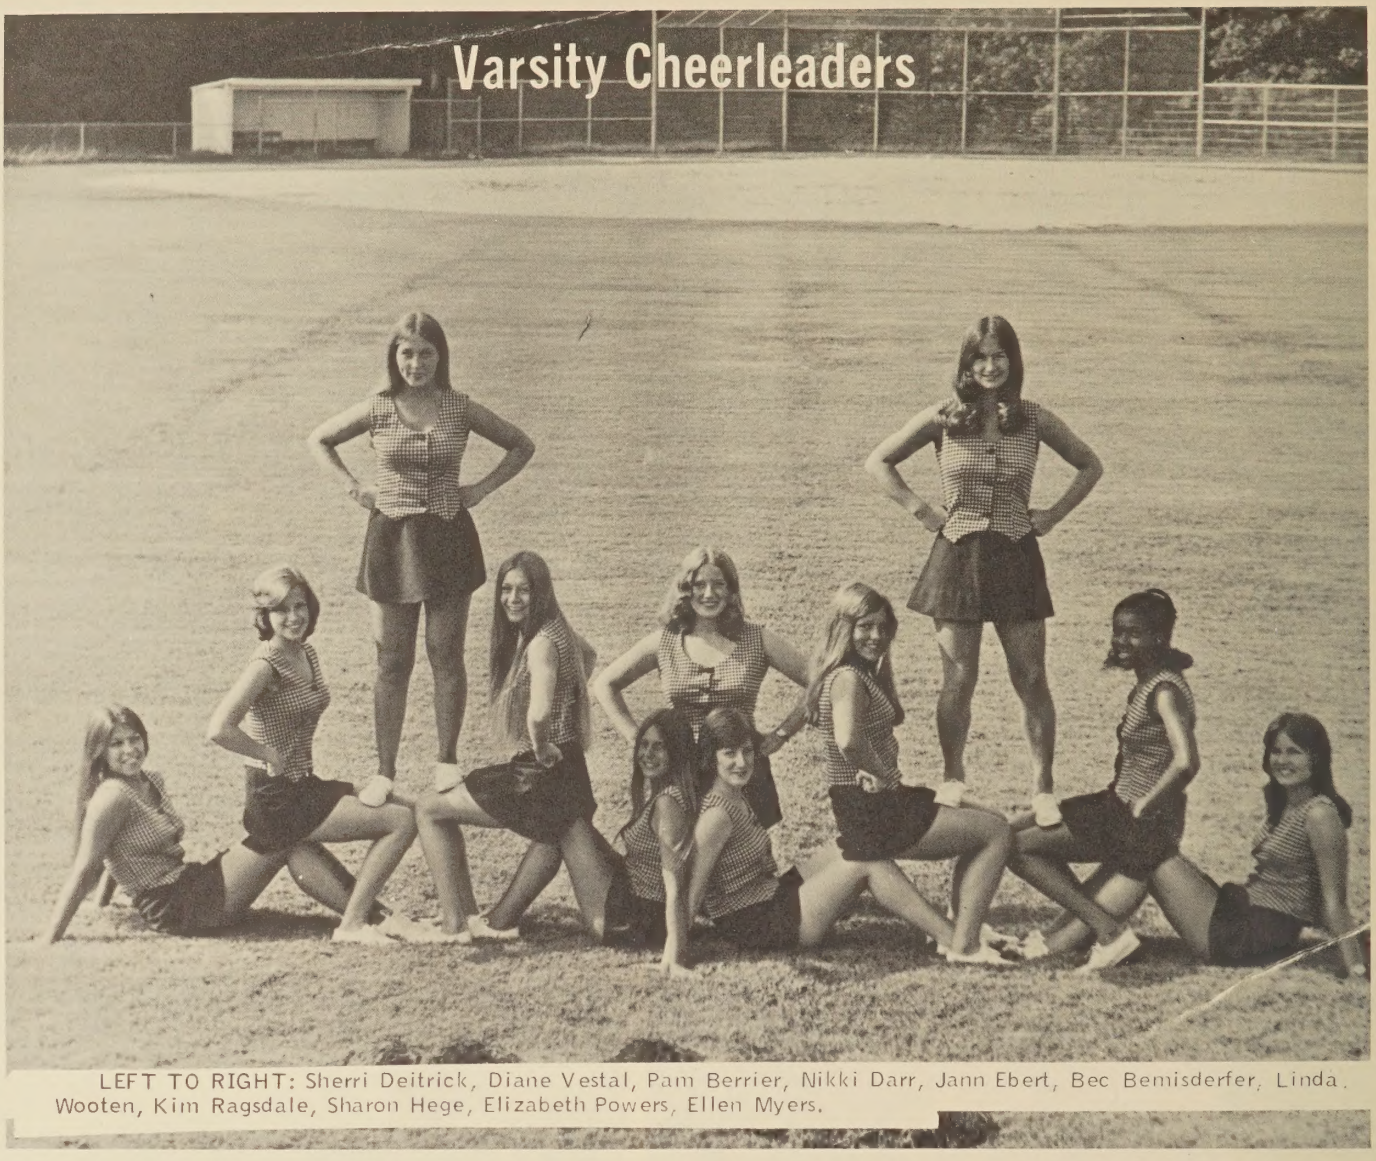
J.V.'s "Out-Quick" Opponents

Coming off the 18-0 season of last year, North Davidson's Junior Varsity Basketball team faced tough competition in conference play this season. Although lacking height, the team relied on speed and sparkling floor play to surprise taller opponents. Guided by Coach Steve Hinkle, the boys worked hard and maintained a good record.

Varsity Cheerleaders



LEFT TO RIGHT: Sherri Deitrick, Diane Vestal, Pam Berrier, Nikki Darr, Jann Ebert, Bec Bemisderfer, Linda Wooten, Kim Ragsdale, Sharon Hege, Elizabeth Powers, Ellen Myers.

Eight seniors and three juniors worked together to carry the "Black Knight" name a long way. Never knowing the exact words for the team after a close loss or a landslide victory, or for the crowds at a crucial time when no one would yell, the squad always did their best in the name of "School Spirit". For the juniors it was a preview of next year; but for the seniors it was the end of a happy experience of cheering.

Wrestlers Improve Conference Standing

North's 1975 wrestling team stood strong and represented their school well. They proved that North CAN have a good wrestling team, contrary to popular belief. Picked in pre-season as strong contenders, they maintained high ranks in the conference throughout most of the season. Coach Breitenstein and his mat men look forward to another big year next year, too, as only four members of the team graduate.

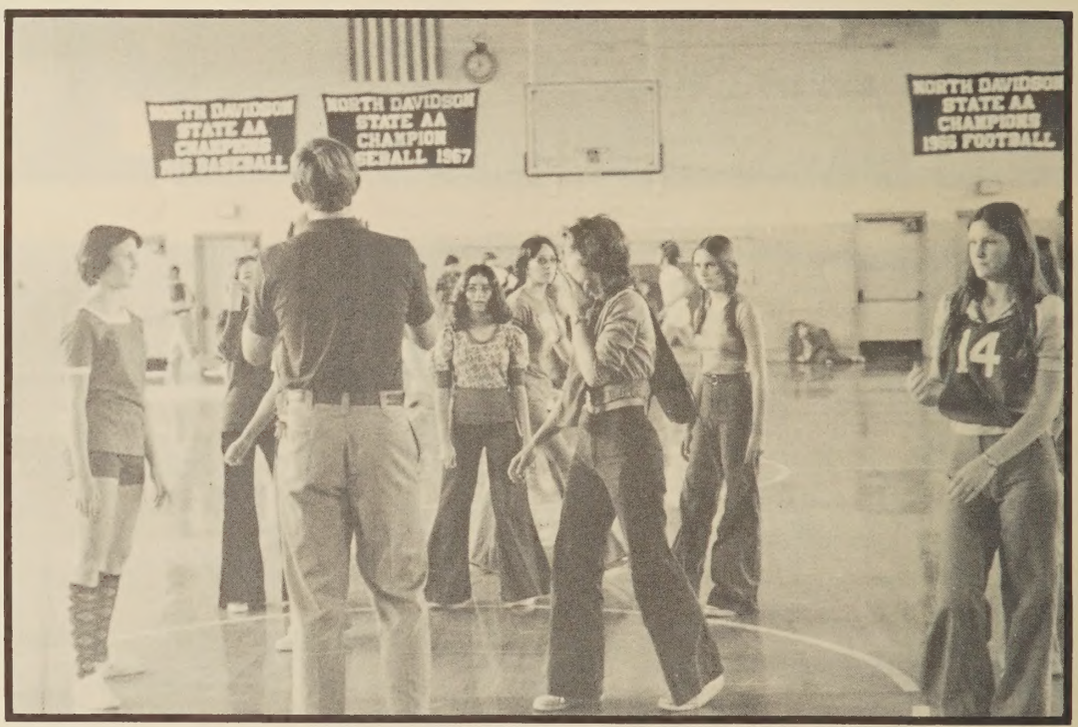
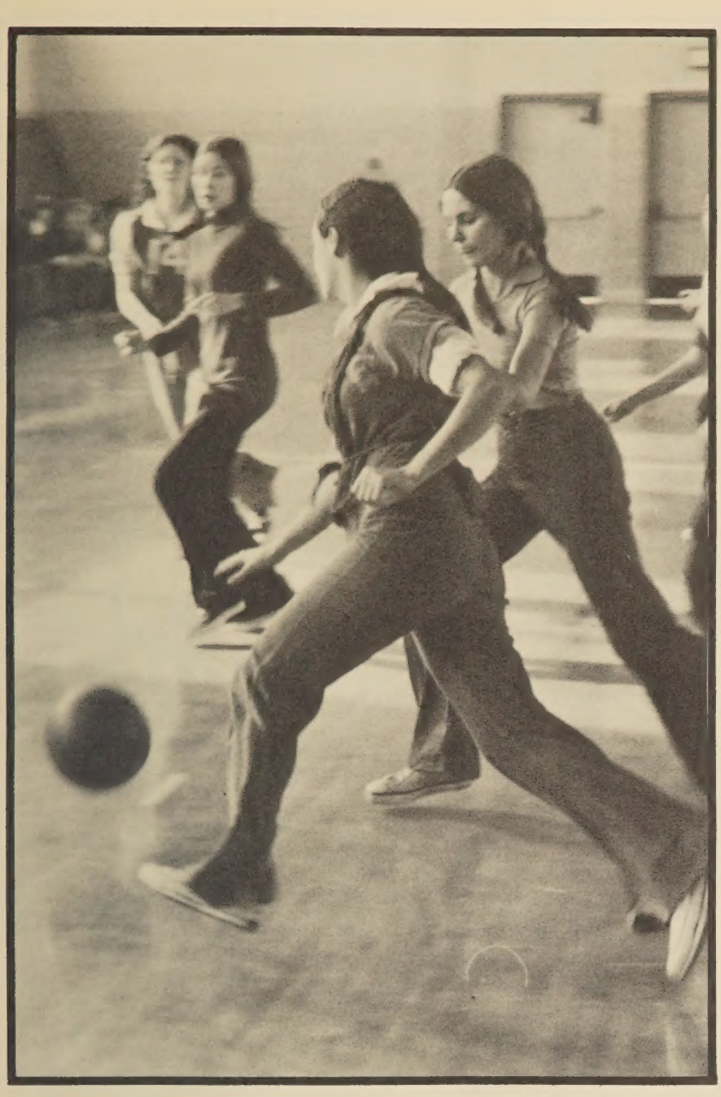
Intramurals





All students at North Davidson look forward to Intramural games. Intramurals give students a break from books and studying, and everyone enjoys challenging their classmates' athletic abilities. It is a chance for everyone to engage in honest competition and for spectators to escape from the tensions of the classroom.

Vice-President Mike Mackey, President Bradley Thomason, Secretary Johnsie Stewart, and Treasurer Freddy Pope led the Juniors of '76 with a zeal for accomplishment. All over the campus Juniors applied themselves and set the pace, from a magazine sale for financing the Junior-Senior to a brain-racking three hours of poring over the PSAT. With these aspirations in mind, the Juniors proudly claimed the title of CLASS OF 1976!

Could it be
That what we see,
And touch with hand
To understand,
Are fleeting things
On silent wings,
That come so near
Then disappear.

The lasting things
Must pass unseen,
Like love and time,
And peace of mind.
They calm our fear
When we are here,
And carry on
When we are gone.

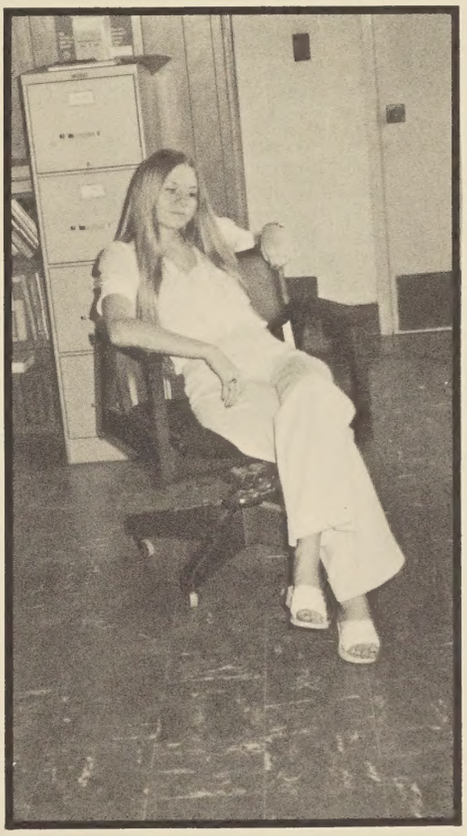
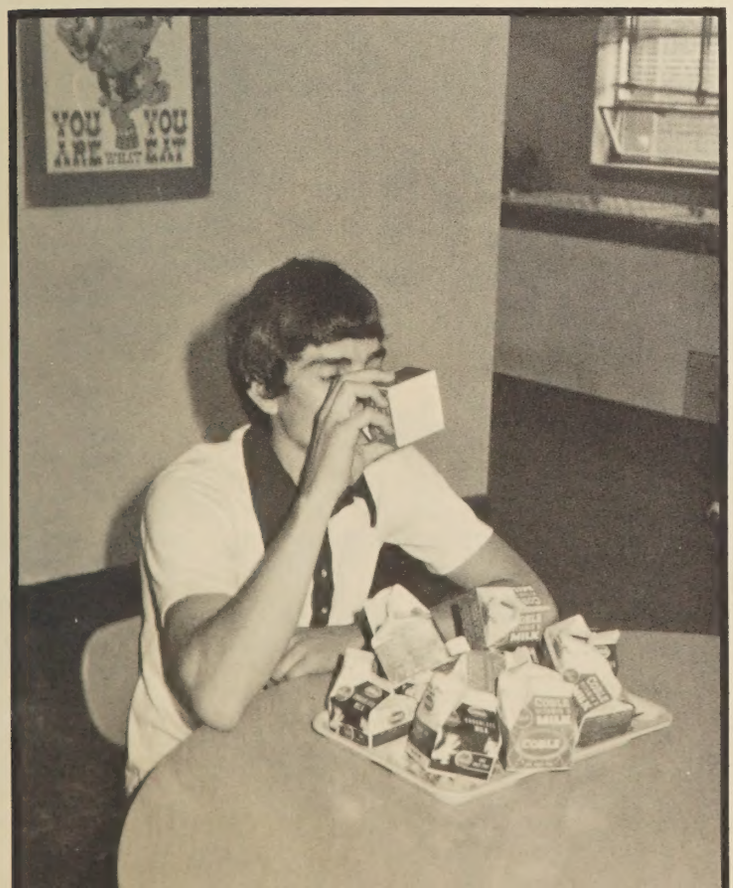
SENIORS





YOU ARE WHAT YOU EAT

There has never been a year like '75. Our year was full of conflict within our nation and ourselves . . . expectations of what our newly to be found world would be like . . . dreams of the happy and not so happy times . . . ambitions that were sometimes floored by our abilities . . . decisions crucial enough to affect our lives . . . friendships strong enough for a lifetime, soon to be lost . . . love for a school that gave us a way of life. There will never be another year like '75.

Officers for our class were Vice-Pres.-Sherry Leonard, Pres.-Richard Hoffman, Sec.-Bec Bemisderfer, Treas.-Mary Ann Taverniti.

Farewell
1974-1975
Nordahi

Dear Fellow Knights,

Many thanks go to the following people: Miss Mathews for her assistance with the books, Mr. Teal for his support and understanding, Lisa Robinson for her help with the cover, a talented, competent, and wonderful staff for their efforts and dedication toward a common goal, Reg Smith for ideas and suggestions, and to the ever-present advisor Mrs. Hedrick whose perserverance and guidance literally made the book. Together with these people, I have had the time of my life capturing Nordahi life as we lived it. I hope the staff and I have captured it in a suitable way, and have done your memories justice with this yearbook. We as knights have had fun (to say the least) putting this annual together, and I wish we could all do it together again.

Thanks for your support as fellow knights.

Sincerely,

Mark Conrad
